The banquet bar guarantee is \$350.00 per bartender for a period of two hours or less, or a \$175.00 labor charge per bartender. This means that each bartender must average \$350.00 in sales within a maximum of two hours at the current drink price. If \$350.00 is not taken in, the host must pay a \$175.00 labor charge per bartender.

If a cocktail function is to last longer than two hours, the guarantee will be \$200.00 per hour, per bartender, or a \$75.00 labor charge, per hour, per bartender, for each additional hour after the first two hours.
